

# Common Worship – All Saints – 30 October – activity sheet

'When Jesus saw the crowds, he went up the mountain... Then he began to speak and taught them, saying: 'Blessed...' Matthew 5.1-2 (NRSV)

1. We learned today that followers of Jesus can be called 'saints'. These saints have lost their proper haloes. Draw a line to link each one with their matching halo.

2. Read Matthew 5.3-10. Write in each box one of the kinds of people Jesus said would be blessed.

3. For 2000 years, people have been passing on the news about Jesus. Write in the speech bubble the things you would like to say to a friend of yours about Jesus.

4. Dear God,  
Thank you for all the people who have followed your ways. They have found out what it means to be 'blessed'. Help me to learn to live like that too – and to do my bit to pass on the message. **Amen.**
